Rio Real is a suburban residential area approximately three kilometres East of the Center of Marbella and 30 minutes from Málaga International Airport. This area with its elegant villas and luxury apartment complexes was built around one of the most prestigious golf courts on the Costa del Sol ‘Golf Rio Real’ with its 5-star hotel. The golf course stretches to the beach and has beautiful views, maintained trees, palm trees, lakes and a river, which increases the difficulty of the game.

The property has a total size of 150 m² (105m² inside + 45 m² terraces) and provides two bedrooms with large built-in-wardrobes, hall, living-dining room, 2 bathrooms and a spacious fitted kitchen equipped with all the appliances.

Both bathrooms are equipped with bathtub or shower, and toilet and feature marble floors and tiles. Furthermore the property provides a storage room with a size of 6 m² and 1 underground parking space.

The apartment complex with only 26 apartments in 3 buildings offers a nice communal swimming pool (new), and 1 underground parking (and storage) and of course a lift in each building.
