Property Description

Modern Duplex Penthouse with Jacuzzi and Panoramic Views in Higuera

Welcome to this exclusive duplex penthouse located in the sought-after area of Higuera – one of the coast's most prestigious residential zones. Here you'll enjoy a rare blend of modern comfort, prime location, and uninterrupted views of the Mediterranean Sea.

The apartment spans 114 m² and feels brand new, as it is part of a recently completed development where the keys were handed over just one year ago. The property offers 3 spacious bedrooms, 2 bathrooms, large floor-to-ceiling windows, and a southwest orientation that ensures an abundance of natural light and sunshine throughout most of the day.

From the impressive 66 m² terrace, you can take in the panoramic sea views, relax in your private jacuzzi, and witness some of the most beautiful sunsets – all in a peaceful and private setting.

The apartment is part of a gated and exclusive community offering access to a range of luxurious shared amenities, including a gym, sauna, Turkish bath, and swimming pool. It also comes with 2 private parking spaces and a large storage room.

The location is ideal – just 5 minutes to the beach and a 2-minute walk to the train station with direct connections to both Fuengirola and Málaga city centre.

This information is presumably correct but not guaranteed. The price or sale status can be modified without prior notice.
